Subject: FL Happenings #2 for March 2017

One of the hardest parts of composing a "Forest Lakes Happenings" is publishing news of the passing of our beloved residents. In the past few days, I have received news about these two dear women who were a part of our community for many years.

Shere Walter no longer lives in Forest Lakes, but many of you will remember when she and her husband Bill, were a part of us for many years. Bill Walter was our Sheriff's Deputy before our current Robert McKeever. Shere worked part time in the office at the Fire Station. At this time I have no obituary to print, but wanted to get out the word about a Celebration of life for Shere that is occurring on Sunday. Bill and Shere moved to Sun City full time about 4 years ago when Bill retired. Please keep the Walter family in your prayers and many thoughts at this difficult time.

Toni Kuhl, 56, of Scottsdale, Arizona (and summer resident of Forest Lakes) passed away on February 4, 2017. Toni Annette Kuhl was born on July 20, 1960 to Robert and Esther Tuttle in Scottsdale, AZ. She grew up in Scottsdale and attended Coronado High School, Scottsdale Community College and University of Arizona. She volunteered serving law enforcement survivors in both Arizona and Nationally. Toni was an amazing dedicated mother of three boys and a cherished wife and best friend of her husband. Toni was preceded in death by her first husband Robert Lyle Hawk and her mother Esther Mae Barnes. Toni is survived by her husband Kurt Kuhl, three sons Matthew Robert Hawk, Adam James Hawk (Marissa) and Patrick Dean Kuhl, her sister Linda Rae Price (Robert) and her father Robert Carl Tuttle (Linda). A Celebration of Life was held on Friday, February 10th, at La Casa De Cristo Lutheran Church, Scottsdale. A private family interment was on Saturday at Green Acres Mortuary & Cemetery.

Family members Lyle and Judy Hawk and Brian and Teresa Hawk are also Forest Lakes summer residents. Please keep them in your thoughts and prayers at this time.

Our deepest sympathies go out to these families during the difficult days after the loss of a family member.

Correction from March Happenings #1 ---

I mistakenly reported there would be a Fire Auxiliary meeting this coming Saturday at 9 AM. They will NOT be meeting and are still on hiatus until April 22nd.

Please Note Meeting changes for April ---

Due to Easter being on the week-end of the regularly scheduled board meetings of FLOA, the Fire District, and Auxiliary, all organizations are changing their meeting date to Saturday, April 22nd.

Judy
