Subject: FL Happenings #3 for June 2017

Update on the Wildcat Fire from Forest Ranger Chris James:

“The district was able to suppress the Wildcat Fire in Navajo County located about 4 miles east of Forest Lakes near the Ellsworth Ranch yesterday. The fire reached 5 acres before it was suppressed. The fire appears to be the result of an abandoned campfire.”

As we enter Stage 1 fire restrictions, be extra careful in the woods as we enter this very hot weekend.

Fire District Auxiliary Meeting – 9 AM at the Fire Station

FL Fire District Board Meeting – 10 AM at the Fire Station

REMINDER: July 4th Week-end Yard/Garage/Rummage Sales

It has become tradition that every year for the 4th of July week-end, I publish a list of sales that will be "happening" in our community. (a free public service announcement!). If you are planning any type of sale or will have a specific item to sell that week-end, contact me any time, up until June 28th at floanews@cox.net. I need the dates, times, location, and items for sale. I will then publish a list of the shopping opportunities a couple days before the week-end.
