Subject: FL Happenings #4 for July 2017

[News and Events for this week:](#)

For those who didn't attend the FLOA Meeting on Saturday, July 15th to hear the presentation by the Black Mesa Ranger District staff, the topic was about the Little Springs Prescribed Burn that will be implemented this coming Fall. This burn will be on the boundary of Forest Lakes. See the map below of the interior boundary lines.

We will send out more information as the time gets closer, but if you have any questions, feel free to call the Forest Service and ask to speak to someone in the Fire Management office. Their number at the Ranger Station in Overgaard is 928-535-7332. A large map can be found in the window of the House at the Community Center.

PLEASE HELP....The Piecemakers (our Quilters ladies) has a special request:

They are making a quilt for the new Fire Station and are asking for your donation of T-shirts with the FLFD logo or other Forest Lakes T-

shirts that you no longer need and old blue jeans and/or denim fabric.

Please contact Pat Hennessey (480-540-8169), Donna Brunton (928-535-6917), or Lydia Smith (480-363-2224). Thanks so much!!
