Subject: FL Happenings #2 for August

The week-end is almost here and with it comes the last Community Market of the season. Please come by and check out all the fantastic items for sale. We have a couple of new Vendors! This will be your only chance to get some fresh roasted Hatch green chilis! Hope to see you there!

The poster features a photograph of an outdoor market scene with people and stalls under white canopies. The title 'Community Market' is written in a large, brown, serif font on a light-colored, dotted background. Below the title, the date and time are listed as 'Saturday, August 12 10 AM—1 PM' and the location as 'Forest Lakes Community Center, 1111 Merzville Rd.' The main body of the poster lists various items for sale in green text: 'Glass Art—Holiday Crafts—Scratch Art Drawings', 'Handmade Wood Tables—Relishes—Jams—Breads—Fresh eggs', 'Lula Roe Clothing—Custom Jewelry—Piecemakers Quilt Raffle Tickets', and 'SatNet Mobile Internet Display—Platinum Disaster Relief Info'. At the bottom, it highlights 'Hatch Green Chilis Roasting on site!!' by 'Lisa the Chili Lady!'.

Neighborhood News

Services for **Keith Scholl**, who passed away on June 26th, are scheduled for 11 AM on August 16th at Miramar National Cemetery in San Diego, California. If you would like to send a card to Keith's family, the address is 9321 Fermi Ave., San Diego CA 92123.

Do you know about the **Apache-Sitgreaves Observatory?** Located in Overgaard, about 20 miles east of Forest Lakes, it offers stunning views through the LARGEST public observing telescope in Arizona - a 36-inch computerized telescope. The observatory has been there for thirteen years, and the 36-inch scope there for the last ten. It's been open for public viewing for a year. It is the largest public observing telescope in Arizona.

In addition to the 36-inch telescope viewing, they offer a Couple's Night Sky Photography Workshop plus a Daytime Solar Viewing and Listening Program with safe viewing of the Sun's surface and prominence's and hear it on the radio telescope

Check out www.apache-sitgreaves.org/DeepSpace.html for program details.
