### **\*\*\*FLOA Citizens Participation Meeting – Monday, September 5 9 AM**

The Forest Lakes Owners Association (FLOA) has embarked on the process to request a Conditional Use Permit and to build a storage garage on their property at 1111 Merzville Road.

FLOA's property is currently zoned Commercial. We have learned that this zoning requires a Conditional Use Permit (CUP) for us to use the property in accordance with our mission, charter and bylaws. We are therefore applying for a CUP so that we can be in compliance with Coconino County regarding FLOA sponsored meetings, club activities and occasional all-community events. A CUP is also required for FLOA to obtain a building permit for an additional storage garage. All future improvements to the property, including landscaping and parking provisions, will be in accordance to the approved CUP.

**A Public Hearing will be held in Forest Lakes at the FLOA Corporate Office and Meeting Room on Monday, September 5, 2017 at 9:00 AM.** A letter has been sent to all property owners within 500 feet of the above mentioned property as required by Coconino County Community Development. FLOA is also extending an invitation to all FLOA members and the entire community to attend.

### **\*\*\*FLOA Citizens Participation Meeting – Monday, September 5 9 AM**

The Forest Lakes Owners Association (FLOA) has embarked on the process to request a Conditional Use Permit and to build a storage garage on their property at 1111 Merzville Road.

FLOA's property is currently zoned Commercial. We have learned that this zoning requires a Conditional Use Permit (CUP) for us to use the property in accordance with our mission, charter and bylaws. We are therefore applying for a CUP so that we can be in compliance with Coconino County regarding FLOA sponsored meetings, club activities and occasional all-community events. A CUP is also required for FLOA to obtain a building permit for an additional storage garage. All future improvements to the property, including landscaping and parking provisions, will be in accordance to the approved CUP.

**A Public Hearing will be held in Forest Lakes at the FLOA Corporate Office and Meeting Room on Monday, September 5, 2017 at 9:00 AM.** A letter has been sent to all property owners within 500 feet of the above mentioned property as required by Coconino County Community Development. FLOA is also extending an invitation to all FLOA members and the entire community to attend.

Happy Friday! It's rare that we don't have any special events scheduled for this week-end, but save up for big time fun and festivities over the Labor Day week-end. They are listed below so that you can put them on your calendar and plan to participate in one or all of them. But first, here is a bit of community news:

### **\*\*\*FL Water District News**

The Forest Lakes DWID to begin offering email billing! If you would like your monthly water bill emailed to you beginning October 1<sup>st</sup>, please send your name, account number, and email address to [amybelch@frontier.com](mailto:amybelch@frontier.com).

### **\*\*\*Fire District Auxiliary Report** from Chairman Chris Bennett

The Forest Lakes Fire District Auxiliary met on Saturday August 19th. The Bylaws revisions were passed by a vote of the members present. The updated Bylaws are posted on the FLFD Website.

The Auxiliary Board approved a \$10,000.00 donation to the FLFD to be used for the kitchen in the new fire station.

The Auxiliary Board has 2 positions (vice- chairman and secretary) that need to be filled. If you are interested in serving on the board please contact Chris Bennett at [\(602\) 390-3960](tel:6023903960) or by email at [chrisb2763@gmail.com](mailto:chrisb2763@gmail.com).

We hope you will join us at the Auxiliary events on Labor Day weekend. We will be selling t-shirts and logo items on Saturday Sept. 2nd from 7 - 10 a.m. at the Community Center. The Ice Cream Social will be on Sunday September 3rd from 2 - 4 p.m. at the fire station. Hope to see you there!

### **\*\*\*FLOA Citizens Participation Meeting – Monday, September 5 9 AM**

The Forest Lakes Owners Association (FLOA) has embarked on the process to request a Conditional Use Permit and to build a storage garage on their property at 1111 Merzville Road.

FLOA's property is currently zoned Commercial. We have learned that this zoning requires a Conditional Use Permit (CUP) for us to use the property in accordance with our mission, charter and bylaws. We are therefore applying for a CUP so that we can be in compliance with Coconino County regarding FLOA sponsored meetings, club activities and occasional all-community events. A CUP is also required for FLOA to obtain a building permit for an additional storage garage. All future improvements to the property, including landscaping and parking provisions, will be in accordance to the approved CUP.

**A Public Hearing will be held in Forest Lakes at the FLOA Corporate Office and Meeting Room on Monday, September 5, 2017 at 9:00 AM.** A letter has been sent to all property owners within 500 feet of the above mentioned property as required by Coconino County Community Development. FLOA is also extending an invitation to all FLOA members and the entire community to attend.

Anyone who cannot attend, but wishes to make comments or have questions can direct correspondence to:
