Subject: Corrections to Happenings #4

I am not sure what calendar I was looking at or in what century I was living in yesterday, but there are 2 incorrect dates in the Happenings sent out on 8-25. Please make note of these date changes:

FLOA Citizens Participation Meeting – **Monday, September 4** 9 AM

FLOA Semi-Annual Highway Clean-up - **Thursday, September 7** 9 AM

Thank you to the readers who edit to make sure we show up in the same place on the same **date!**

Now, back to the 21st Century and correct calendar...

Judy
