Subject: FL Happenings #3 for September

This week-end in Forest Lakes -----

Is a busy one with several organizations' Board Meetings on Saturday. All residents are urged to attend and all meetings. It's a great way to keep in the loop of what goes on in the governance of Forest Lakes. You can make a day of it by attending the following:

9 AM – Fire District Auxiliary at the Fire Station

There are 2 open positions on the board (secretary and vice president). Please contact Chris Bennett if you are interested in serving on the FLFD Auxiliary Board @ (602) 390-3960 or chrisb2763@gmail.com.

10 AM – Forest Lakes Fire District Board Meeting at the Fire Station

2 PM – Forest Lakes Owners Association Annual Meeting at the Community Center House

FLOA members – come and exercise your right to vote for 3 new board members. There are 3 positions to be filled. We have 3 candidates running on the ballot, but nominations can be made from the floor at the meeting. Everyone is invited to attend. A "State of FLOA" address will be given and the FLOA Board's choice for Volunteer of the Year will be announced. Who will it be???

Attention New Residents:

If you have recently received a Welcome Packet, the page called "New Resident's Services Directory" had two businesses with incorrect phone numbers on it. Please make a correction to the following:

ELECTRICAL: Arizona Public Service (APS) is 928-535-4010 or 1-800-253-9408

TELEPHONE/INTERNET: Frontier Communications is 928-537-1611 or 1-800-921-8101

If you are a new property owner in 2017 and have never received a Welcome Packet from FLOA, please contact me (Judy) at floanews@cox.net and we'll get one to you. We do our best to get names of new owners when a property sells, but we sometimes miss someone, especially if you have purchased by owner.

If you would like to see pictures and get narrative on the progress of the new fire station, check out the Facebook page: "Forest Lakes Fire District, AZ"

Have you ever thought ---

“How can someone find me in the forest? Can they see my cabin for the trees?” “What if I have an emergency and need help? “What if FLOA wants to drop off a Welcome Packet?”

In driving around the community recently, I noticed that many properties are not marked with an address or lot number. Please check to make sure your property is clearly marked at your driveway and if not, there are lots of creative ways to make a sign to identify your residence. You don't have to include your name. Sometimes signs fall down or get unreadable and we don't think about how important it is to be identifiable in our remote community. Thanks for checking out YOUR signage!

Until next time....enjoy life to the fullest!

Judy
