

**Subject:** FL Green Waste Transfer Station extending hours  
**From:** "Forest Lakes News" <flnews@cox.net>  
**Date:** 4/11/2018 1:44 PM  
**To:** <flnews@cox.net>

**The Forest Lakes Fire District will be extending the days of operation for the Green Waste Transfer Station {formerly known as the Green Waste Site} effective immediately.**

**Hours of operation will be 9 AM to 4 PM seven days a week.**

We are requesting all property owners to clear their lots of pine needles and vegetation to include removal of debris from roof gutters. These extended days will allow all of us the opportunity to have access to dump collected green waste and make our community as safe as possible. By doing so, it will help us help you in the event of a wildfire.

Red Flag Warning for today and tomorrow have placed our community and the surrounding forest lands in Critical Fire Conditions. Please follow all criteria associated with these warnings and practice good safe habits when you get the opportunity to visit.

Note: The GWTS is always closed during Red Flag Warning times.

Respectfully,

Chief Rodriguez

Additional information about the Green Waste Transfer Station can be found at:

What is the Green Waste Transfer Station?
