Happy Friday, everyone!

RED FLAG WARNING in effect tomorrow (Saturday) Noon to 7 PM due to strong winds and low relative humidity. Since we can't have any fires anyway, that would be the applicable rule. The Green Waste Transfer Station will close at Noon.

Some good news...you can use your barbeque grills this week-end! Just be sure to read the clarifications, okay? Yes, they can be used on a Red Flag day.

Coconino County

11 hrs

!!UPDATE!! - County clarifies use of gas grills and gas stoves

After further review of the County's Wildland Fire Ordinance (2017-05), and consulting yesterday with the Coconino County Attorney's Office, the County has clarified its use of grills and gas stoves:

Gas grills and portable stoves for the use of cooking food that have an on/off switch are still allowed on private property within the County.

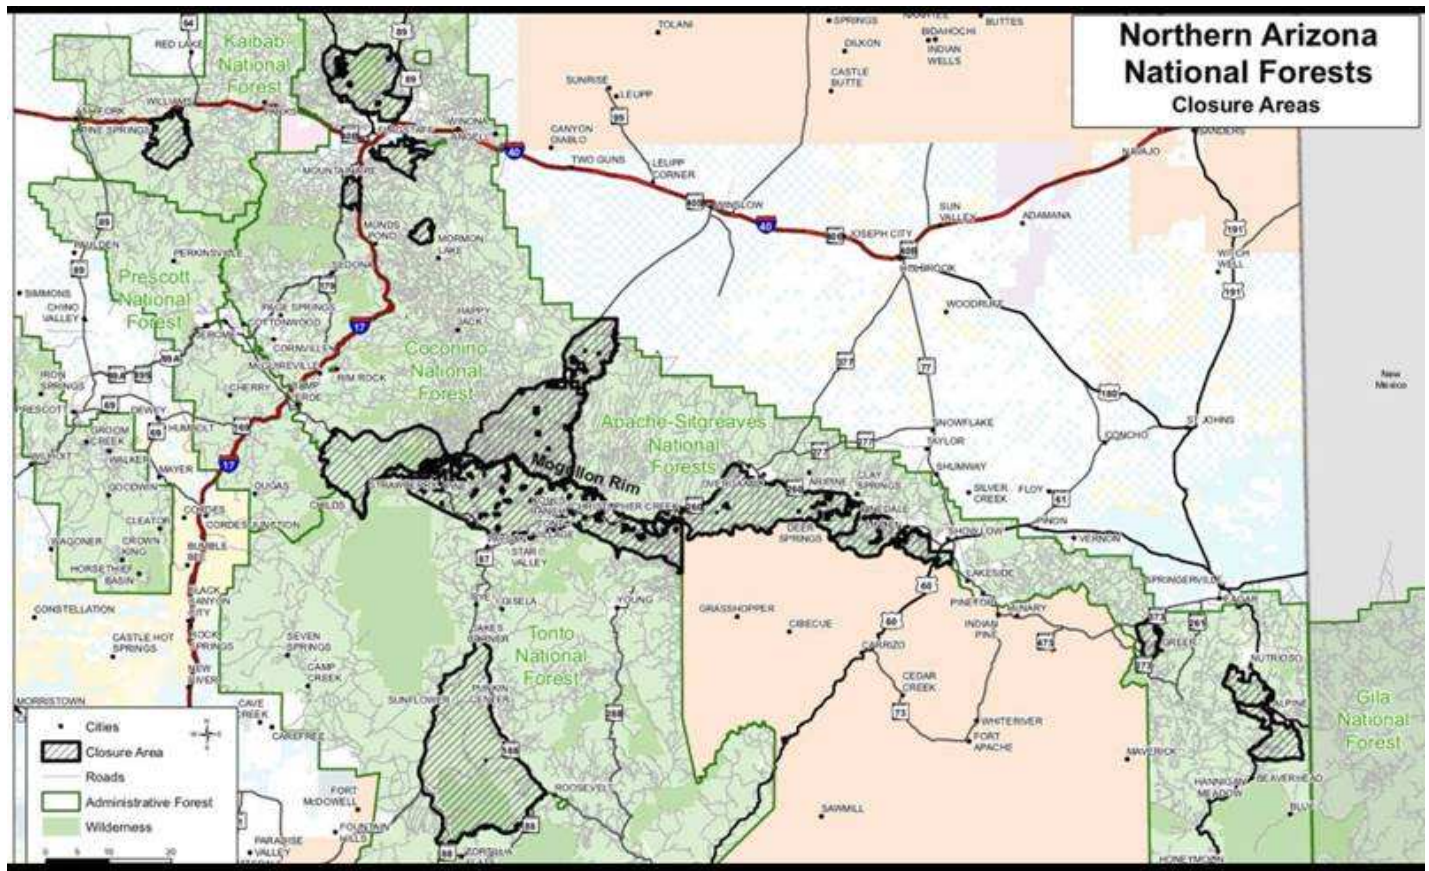

This aligns with partner agency restrictions throughout the area.

Please remember that no other fire in the County is permissible under the ordinance.

Residents and visitors should use their best judgment when considering whether to engage in any activity that could spark a fire. Anyone engaging in these activities could be held legally responsible.

Please feel free to call the Fire Restrictions Call Center if you have further questions: 928.213.2990.

There has been so much confusion about what parts of the forest are closed. Maybe this map will help you because it details the closures.

There are no restrictions on travelling on the highways except perhaps for congestion due to the holiday week-end! Allow yourself plenty of travel time.

Library News – from Librarians Bryan and Leslee

Attached is a Schedule of the Summer Children’s Programs.

We will be starting a Kids summer reading program for June and July. Kids can come in any time during library hours and check out a book and pick a small prize from the treasure box. When they read their book they can give Bryan or Leslee, Librarians, a verbal summary "book report" and they will put a raffle ticket in a jar and each month pick a winner from that jar for a \$10 gift card, probably to Amazon or Walmart. Each child that reads and reports on 6 books per month will get to pick a treasure from our bigger treasure chest.

We are also starting a book club with our first meeting being on Tuesday June 5th at 2pm. We will decide on a book and details.

June library hours will be Tuesday-Friday from 9-4, Sat from 10-3, unless otherwise posted.

Our email here is flibraryaz@gmail.com. You can also find us on Facebook at “Forest Lakes Community Library”.

If you will be in Forest Lakes for the holiday, be sure to enjoy all or many of the special events that have been planned for you! Music! Food! Sales! And More! You will find a detailed list if you refer back to

Monday's E-blast entitled "Red Flag Warning and holiday events".
