

**FOREST LAKES OWNERS ASSOCIATION  
MINUTES OF THE REGULAR BOARD MEETING**

Chevelon Butte School Building  
August 20, 2005

The August meeting of the Forest Lakes Owner's Association was called to order at 2:00 PM by Frank Astemborski. He then led us in the Pledge of Allegiance to the Flag. One board member, Jan Hyden was absent. There were 35 FLOA members present.

Andrea Saffles read the minutes for the meeting that was held in July. They were approved as read. Frank asked if there were any new members present and three people, representing three lots, stood and introduced themselves.

Jane Cummins gave a treasurer's report and it was approved at 2:07 PM.

Virgilee Scholl reported that the membership now stood at 576, three more than last month. The newsletter is out and is available on the website. It looks terrific. Jeannie Van Lew is very prompt with making changes on the website, by eliminating some of the old material and adding the new information.

Frank reported that the County will be working on our sub-division roads and improving those that have cinders.

Andrea gave a report on the Citizen's Award.

Mack Hume reported that the election of new board members will take place at the Annual meeting on September 3, 2005 at 7 PM.

Karen Foncannon presented the new laminated map of Forest Lakes. These maps will be available for sale at the pancake breakfast on September 3, 2005. The board approved the making of 50 maps for sale and also approved \$500 for producing the maps. FLOA will sell these maps for \$15.00.

Jan Walls reported that the Auxilliary moved their storage from the old trailer into a new Tuff Shed. She stated that they would be having a bake sale on September 3rd. Rummage is being collected by Lucille Turley.

She further reported that an additional Tuff Shed had been purchased and would be used for storage of records.

Jan gave a report on the school board, indicating that there were now 20 students in the school and we have one driver and two substitute drivers. She indicated that the Heber schools were doing well on the AIMS test.

Frank read a letter from the Vacation Bible School, thanking FLOA for the use of the tables and chairs.

Gene Jeardoe stated that the highway cleanup would take place on September 8th at 9 AM. Reminders will be posted. All will meet at the fire station.

There being no further business, the meeting was adjourned at 2:24 PM.

Respectfully submitted,

Wendell Lolling  
Secretary
